**Important Notes**

- You should consider your own risk tolerance level and financial circumstances before making any investment choices or investing according to the Default Investment Strategy ("DIS"). When, in your selection of funds or the DIS, you are in doubt as to whether a certain fund or the DIS is suitable for you (including whether it is consistent with your investment objective), you should seek financial and / or professional advice and choose the investment choice(s) most suitable for you taking into account your circumstances.
- In the event that you do not make any investment choices, please be reminded that your contributions made and / or accrued benefits transferred into the Plan will be invested in accordance with the DIS, which may not necessarily be suitable for you.
- Your investment decision should not be based on this document alone. Please read the principal brochures of BCT (MPF) Pro Choice and BCT (MPF) Industry Choice for further details, including the risk factors.
- BCT (Pro) MPF Conservative Fund and BCT (Industry) MPF Conservative Fund do not guarantee the repayment of capital.
- Investment involves risk. Past performance is not indicative of future performance.

**BCT | Focused and Professional**

**BCT Financial Limited** and **Bank Consortium Trust Company Limited** are wholly owned subsidiaries of Bank Consortium Holding Limited. Together, they constitute the BCT group of companies ("BCT"). Bank Consortium Holding Limited was founded in 1999 by a shareholder group comprising a consortium of renowned local banks in Hong Kong. The shareholder group currently comprises eight financial institutions:

BCT is a major MPF product provider and one of the largest trust companies in Hong Kong focusing on the provision of pension products (including MPF & ORSO) and asset servicing solutions for pensions and investment funds. - These constituent funds are denoted as "Equity Funds — Market Tracking Series" under BCT (MPF) Pro Choice as they solely invest in approved Index Tracking Collective Investment Scheme ("ITCIS"). BCT (Pro) Hang Seng Index Tracking Fund invests solely in a single ITCIS, and thereby aims to achieve investment results that closely track the performance of the Hang Seng Index. BCT (Pro) Greater China Equity Fund and BCT (Pro) World Equity Fund are portfolio management funds investing in ITCISs and these funds themselves are not index-tracking funds.
- These constituent funds are denoted as "Target Date Mixed Asset Funds" under BCT (MPF) Pro Choice and they are designed to shift their investments from equities towards a greater exposure to bonds and cash as the relevant constituent fund approaches to its particular target year.
- BCT (Pro) MPF Conservative Fund and BCT (Industry) MPF Conservative Fund do not guarantee the repayment of capital. An investment in the MPF Conservative Fund is not the same as placing funds on deposit with a bank or deposit taking company and there is no guarantee that the investment can be redeemed at the subscription value. The MPF Conservative Fund is not subject to the supervision of the Hong Kong Monetary Authority. Fees and charges of MPF Conservative Fund can be deducted from either (i) the assets of the constituent fund or (ii) members' account by way of unit deduction. This constituent fund uses method (i) and, therefore, unit prices / NAV / fund performance quoted have incorporated the impact of fees and charges.

Declaration  
 Investment involves risks. Past performance is not indicative of future performance. Members should refer to the principal brochures of BCT (MPF) Pro Choice and BCT (MPF) Industry Choice for further details, including the risk factors and detailed investment policies of the constituent funds.
