contributions would be calculated as follows:

- **Mandatory contribution amount Daily Income \*** Employer's **Employee's** contributions contributions Less than \$280 \$10 Not required \$280 or more but less than \$350 \$15 \$15 \$350 or more but less than \$450 \$20 \$20 \$450 or more but less than \$550 \$25 \$25 \$550 or more but less than \$650 \$30 \$30 \$650 or more but less than \$750 \$35 \$35 \$750 or more but less than \$850 \$40 \$40 \$850 or more but less than \$950 \$45 \$45 \$950 or more \$50 \$50

|--------------------|-------------------------------|--------------------------|--|
| Income             | Employer's Contributions      | Employee's Contributions |  |

## What are the risks of your MPF investment?

Investment involves risks. Please refer to the **MPF Scheme Brochure for BCT (MPF) Industry Choice** – Risk Section for details of the risk factors to which the funds are exposed, which is available via the link: **bcthk.com/IS-Scheme-Brochure-en** 

A risk class is assigned to each fund with reference to a seven-point risk classification scale based on the latest fund risk indicator of the fund. A fund in a higher risk class tends to show a greater volatility of return than a low-risk class fund. Information about the latest risk class of each fund is set out in the latest fund fact sheet (FFS) of **BCT (MPF) Industry Choice**, which is available via the link: **bcthk.com/IS-Fund-Fact-Sheet** 

## How to transfer your MPF?

If you are an employee, you may opt to transfer your MPF derived from employee mandatory contributions in your contribution account under current employment (Original Scheme) to any other MPF schemes of your choice (New Scheme) once a year<sup>1</sup>. If your transfer involves selling your interests in a guarantee fund in another MPF scheme, please check the terms and conditions of this fund as failure to fulfill some qualifying conditions may cause the loss of guaranteed returns. Your contribution account under current employment may consist of different parts of MPF derived from different sources and subject to different transfer rules, as follows:

| <b>Parts of MPF in a contribution account</b><br>(i.e. Types of contributions that the MPF are<br>derived from) | Transfer rule                                            | Type of account<br>receiving the MPF                               |  |  |
